ANDALUSIA HOMEOWNERS ASSOCIATION

ARTICLE I
NAME AND LOCATION

1.1 **Name and Location.** The name of the corporation is ANDALUSIA HOMEOWNERS ASSOCIATION, hereinafter referred to as the "Association." The principal office of the Association shall be located at the Project, or at such other place as may be designated by the Board.

ARTICLE II
DEFINITIONS

2.1 **Incorporation.** The definitions contained in the Declaration are incorporated by reference herein.

2.2 **Declaration.** "Declaration" shall mean and refer to the Amended Enabling Declaration Establishing a Plan For Condominium Ownership applicable to the property recorded in Alameda County, and subsequent amendments thereto.

ARTICLE III
MEETING OF MEMBERS AND VOTING

3.1 **Annual Meeting.** The annual meeting of the Members shall be held on a date, as set by the Board of Directors, within ninety (90) days after the close of the fiscal year each year at seven o'clock P.M. If the day for the annual meeting of the Members is a legal holiday, the meeting will be held at the same hour on the first day following, which is not a legal holiday (excluding Saturday and Sunday).

3.2 **Special Meetings.** Special meetings of the Members shall be promptly scheduled at any time by the Board in response to the vote of a majority of the Board of Directors, or in response to a request by the Chairman of the Board, the President, or upon written request of the Members representing five percent (5%) of the total voting power of the Association.

3.3 **Notice and Place of Meetings.** Written notice of each meeting of the Members, annual or special, shall be given by, or at the direction of, the Secretary or Manager, by mailing a copy of such notice, first-class mail, postage prepaid, at least ten (10) but not more than ninety (90) days before such meeting to each First Lender requesting notice and to all Members, addressed to the Member's address last appearing on the books of the Association, or supplied by such Member to the Association for the purpose of notice. Such notice shall specify the place, day and hour of the meeting, and, in the case of a special meeting, the purpose of the meeting. If action is proposed to be taken at any meeting for approval for any of the following proposals, the notice shall also state the general nature of the proposal. Member action on such items is invalid unless the notice or written waiver of notice states the general nature of the proposal(s): (a) removing

a director without cause; (b) filling vacancies in the Board of Directors by the Members; (c) amending the Articles of Incorporation; (d) approving a contract or transaction in which a director has a material financial interest. Meetings shall be held within the Project or at a meeting place within the same county, as close to the Project as possible.

3.4 Quorum. The presence either in person or by proxy, at any meeting, of Members entitled to cast fifty-one percent (51%) of the total voting power of the Association (excluding the number of votes as to which voting rights are suspended at the time of the subject meeting), shall constitute a quorum for any action except as otherwise provided in the Declaration, or these Bylaws. If, however, such quorum shall not be present or represented at any meeting, a majority of the Members entitled to vote thereat shall have power to adjourn the meeting to a date not less than five (5) days and not more than thirty (30) days later, without notice other than announcement at the meeting, until a quorum as aforesaid shall be present or be represented.

The Members present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough Members to leave less than a quorum, provided that twenty-five percent (25%) of the total voting power of the Association remains present in person and/or by proxy, and provided further that any action taken shall be approved by a majority of the Members required to constitute a quorum, and that the only matters that may be voted upon at said adjourned meeting are matters the general nature of which was noticed not less than ten (10) nor more than ninety (90) days before the date of the meeting to each Member entitled to vote at the meeting. If a time and place for the adjourned meeting is not fixed by those in attendance at the original meeting or if for any reason a new date is fixed for the adjourned meeting after adjournment, notice of the time and place of the adjourned meeting shall be given to Members in the manner prescribed for annual meetings.

Notwithstanding anything herein to the contrary, for purposes of obtaining membership approval of special Assessments or increases in annual Assessments as may be required by section 4.4 of the Declaration, a "quorum" means more than fifty percent (50%) of the Members of the Association.

3.5 Proxies. At all meetings of Members, each Member may vote in person or by proxy. All proxies shall be in writing and filed with the Secretary before the appointed time of each meeting. Every proxy shall be revocable and shall automatically cease upon conveyance by the Member of his or her Unit, or upon receipt of written notice by the Secretary of the Board of the death or judicially declared incompetence of a Member prior to the counting of the vote, or upon the expiration of eleven (11) months from the date of the proxy. Any form of proxy distributed by any person to the membership of the Association shall afford the opportunity to specify a choice between approval and disapproval of each matter or group of matters to be acted upon. The proxy shall provide that, where the Member specifies a choice, the vote shall be cast in accordance with that choice. The proxy also shall identify the person or persons authorized to exercise the proxy and the length of time it will be valid. In addition, voting by proxy shall comply with any other applicable requirements of California Corporations Code §§ 7514 and 7613.

3.6 Membership and Voting. All Owners shall be Members and shall be entitled to one (1) vote for each Condominium owned. When more than one (1) person holds an interest in any Condominium, all such persons shall be Members. The vote for such Condominium shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Condominium.

Any action by the Association which must have the approval of the Members before being undertaken shall require the vote or written assent of Members constituting a majority of the total voting power of the Association.

Owners of Condominiums in all phases shall have the same voting rights. Voting rights shall not vest until Assessments have been levied against those Condominiums by the Association. A "majority vote" means a majority of votes in the Project as a whole, not a majority of votes of Owners in each phase.

Only the Owners of Units within a Cost Center may vote to amend or delete provisions of the Project Documents pertaining solely to that Cost Center. A majority of the total voting power of Owners of Units in a Cost Center shall be required to amend the provisions of the Project Documents which pertain to that Cost Center.

3.7 Eligibility to Vote. Voting rights attributable to Units shall not vest until Assessments against those Units have been levied by the Association. Only Members in good standing shall be entitled to vote on any issue or matter presented to the Members for approval. In order to be in good standing, a Member must be current in the payment of all Assessments levied against the Member's Unit and not subject to any suspension of voting privileges as a result of any disciplinary proceeding conducted in accordance with the Declaration. A Member's good standing shall be determined as of the record date established in accordance with section 3.8. The Association shall not be obligated to conduct a hearing in order to suspend a Member's voting privileges on the basis of the nonpayment of Assessments, although a delinquent Member shall be entitled to request such a hearing. A Member shall maintain good standing if said standing has not been suspended by the provisions of these Bylaws and the Member has maintained a current filing with the Association of the following: (i) the signature or signatures of the Owner(s) authorized to vote on behalf of the Member's Lot; and (ii) address where all notices shall be sent; or, alternatively, (iii) a proxy that names the Owner's representative and lists said representative's address.

3.8 Record Dates.

A. Record Dates Established by the Board. For the purpose of determining which Members are entitled to receive notice of any meeting, vote, act by written ballot without a meeting, or exercise any rights in respect to any other lawful action, the Board may fix, in advance, a "record date," and only Members of record on the date so fixed are entitled to receive notice, to vote, or to take action by written ballot or otherwise, as the case may be, notwithstanding any transfer of any membership on the books of the Association after the record date, except as otherwise provided in the Articles, by agreement, or in the California Nonprofit Mutual Benefit Corporation Law. The record dates established by the Board pursuant to this section shall be as follows:

(1) Record Date for Notice of Meetings. In the case of determining those Members entitled to notice of a meeting, the record date shall be no more than ninety (90) nor less than ten (10) days before the date of the meeting;

(2) **Record Date for Voting.** In the case of determining those Members entitled to vote at a meeting, the record date shall be no more than sixty (60) days before the date of the meeting;

(3) **Record Date for Action by Written Ballot Without Meeting.** In the case of determining Members entitled to cast written ballots, the record date shall be no more than sixty (60) days before the day on which the first written ballot is mailed or solicited; and

(4) **Record Date for Other Lawful Action.** In the case of determining Members entitled to exercise any rights in respect to other lawful action, the record date shall be no more than sixty (60) days prior to the date of such other action.

B. Failure of Board to Fix a Record Date. If the Board, for any reason, fails to establish a record date, the following rules shall apply:

(1) **Record Date for Notice of Meetings.** The record date for determining those Members entitled to receive notice of a meeting of Members shall be the business day preceding the day on which notice is given, or, if notice is waived, the business day preceding the day on which the meeting is held.

(2) **Record Date for Voting.** The record date for determining those Members entitled to vote at a meeting of Members shall be the day of the meeting, or in the case of an adjourned meeting, the day of the adjourned meeting.

(3) **Record Date for Action by Written Ballot Without Meeting.** The record date for determining those Members entitled to vote by written ballot on proposed Association actions without a meeting, when no prior action by the Board has been taken, shall be the day on which the first written ballot is mailed or solicited. When prior action of the Board has been taken, it shall be the day on which the Board adopts the resolution relating to that action.

(4) **Record Date for Other Lawful Action.** The record date for determining those Members entitled to exercise any rights in respect to any other lawful action shall be the date of such action.

(5) **"Record Date" Means as of Close of Business.** For purposes of this subparagraph B, a person holding a membership as of the close of business on the record date shall be deemed the Member of record.

3.9 Action Without Meeting. Any action that may be taken at any annual or special meeting of Members (except the election of directors) may be taken without a meeting in accordance with the provisions of California Corporations Code §§ 7513 and 7516. Any form of written ballot distributed by any person to the membership of the Association shall afford the opportunity to specify a choice between approval and disapproval of each matter or group of matters to be acted upon, except it shall not be mandatory that a candidate for election to the Board be named in the written ballot. The written ballot shall provide that, where the Member specifies a choice, the vote shall be cast in accordance with that choice.

3.10 Conduct of Meetings. Meetings of the membership of the Association shall be conducted

in accordance with a recognized system of parliamentary procedure or such parliamentary procedures as the Association may adopt. Notwithstanding any other provision of law, notice of meetings of the Members shall specify those matters the Board intends to present for action by the Members, but, except as otherwise provided by law, any proper matter may be presented at the meeting for action. Members of the Association shall have access to Association records in accordance with Article 3 (commencing with Section 8330) of Chapter 13 of Part 3 of Title 1 of the Corporations Code. Any Member shall be permitted to speak at a meeting of the Association Members; however, the Board of Directors may establish a reasonable time limit for Members to speak before a meeting of the Association Members.

ARTICLE IV BOARD OF DIRECTORS; SELECTION; TERM OF OFFICE

4.1 General. The activities and affairs of this Association shall be administered and overseen by, and the powers of the Association exercised under the direction of, a Board of Directors. The Board may delegate the management activities to any management company or a managing agent, provided, however, that the activities and affairs of the Association shall be directed, overseen and managed, and the corporate powers exercised, under the ultimate direction of the Board.

4.2 Number. The affairs of this Association shall be managed by a Board of five (5) directors, all of whom must be Members of the Association, or an officer, director, employee or agent of a Member.

4.3 Term of Office. Directors shall be elected for terms of two (2) years each, staggered so that three (3) are elected one year, and two (2) the following year. Unless vacated sooner, each director shall hold office until the director's term expires and a successor is elected.

4.4 Removal; Vacancies. Unless the entire Board is removed from office by the vote of Association Members, an individual director shall not be removed prior to the expiration of his or her term of office if the votes cast against his or her removal would be sufficient to elect him/her if voted cumulatively at an election at which the same total number of votes were cast and the entire number of directors authorized at the time of the most recent election of directors were then being elected. A director who was elected solely by the votes of Members may be removed from office prior to the expiration of his/her term only by the votes of a majority of Members. In the event of death or resignation of a director, the vacancy shall be filled by approval of the Board at a duly held meeting, or by the sole remaining director. The successor director shall serve for the unexpired term of his or her predecessor. The Members may elect a director at any time to fill any vacancy not filled by the directors. A vacancy created by removal of a director can be filled only by election of the Members.

4.5 Compensation. No director shall receive compensation for any service rendered to the Association. However, any director may be reimbursed for his or her actual expenses, if reasonable, that are incurred in the performance of his or her duties.

4.6 Indemnification of Corporate Agents. The Association shall indemnify any present or former director, officer, employee or other agent of the Association to the fullest extent authorized under California Corporations Code § 7237, or any successor statute, and may advance to any such person funds to pay expenses that may be incurred in defending any action or proceeding on receipt of an undertaking by or on behalf of such person to repay such amount unless it is ultimately determined that such person was entitled to indemnification under this provision.

ARTICLE V NOMINATION AND ELECTION OF DIRECTORS

5.1 Nomination. Nomination for election to the Board of Directors shall be made by a Nominating Committee. Notice to the Members of the meeting shall include the names of all those who are nominees at the time the notice is sent. Nominations may also be made from the floor at the annual meeting. The Nominating Committee shall consist of a Chairman, who shall be a member of the Board of Directors, and two (2) or more Members of the Association. The Nominating Committee shall be appointed by the Board of Directors not less than thirty (30) days prior to each annual meeting of the Members, to serve until the close of such annual meeting. The Nominating Committee shall make as many nominations for election to the Board of Directors as it shall in its discretion determine, but not less than the number of vacancies that are to be filled. All candidates shall have reasonable opportunity to communicate their qualifications to Members and to solicit votes.

5.2 Election. The election of the Board shall be conducted at the annual meeting of the Association. At such election the Members or their proxies may cast, in respect to each vacancy, as many votes as they are entitled to exercise under the provisions of the Declaration. The persons receiving the largest number of votes shall be elected. All Members shall be entitled to cumulate their votes for one (1) or more candidates for the Board, if the candidate's name has been placed in nomination prior to voting, and if a Member has given notice at the meeting prior to the voting of his or her intention to cumulate votes. Voting for directors shall be by secret written ballot.

ARTICLE VI MEETINGS OF DIRECTORS

6.1 Regular Meetings. Regular meetings of the Board of Directors shall be held at least quarterly at such place within the Project, and at such hour as may be fixed from time to time by resolution of the Board. If a larger meeting room is required than exists within the Project, the Board shall select a room as close as possible to the Project. Should said meeting fall upon a legal holiday, then that meeting shall be held at the same time on the next day which is not a legal holiday, excluding Saturday and Sunday. Notice of the time and place of meeting shall be posted at a prominent place within the Common Area or may be given by mail or delivery to each Unit in the development or by newsletter or similar means of communication, and shall be communicated to directors and Members not less than four (4) days prior to the meeting. Notice of any meeting need not be given to any director who has signed a waiver of notice or a written consent to holding of the meeting. If the Common Area consists only of an easement or is otherwise unsuitable for posting of such notice, the Board shall communicate the notice of the time and place of such meeting by any means it deems appropriate.

6.2 Special Meetings. Special meetings of the Board of Directors shall be held when called by written notice signed by the President, Vice President or Secretary of the Association, or by any two (2) directors. The notice shall specify the time and place of the meeting and the nature of any special business to be considered. The notice shall be given to each director by one (1) of the following methods: (a) by personal delivery; (b) written notice by first-class mail, postage prepaid; (c) by telephone communication, either directly to the director or to a person at the director's office who would reasonably be expected to communicate such notice promptly to the director; (d) by telegram, facsimile or electronic mail. Such notice shall be posted or communicated in a manner prescribed for notice of regular meetings and shall be sent to all directors not less than four (4) days prior to the scheduled time of the meeting. All Members shall be given notice of the time and place of a special meeting, except for an emergency meeting, at least four days prior to the meeting. Notice may be given by posting the notice in a prominent place or places within the Common Area, by mail, or delivery of the notice to each Condominium in the project, or by newsletter or similar means of communication. Notices sent by first-class mail shall be deposited into a United States mailbox at least six (6) days before the time set for the meeting.

6.3 Emergency Meetings. An emergency meeting of the Board of Directors may be called by the president, or by any two directors other than the president, if there are circumstances that could not have been reasonably foreseen which require immediate attention and possible action by the Board, and which of necessity make it impracticable to provide the notices required by section 6.1. Notice to Members of an emergency meeting is not required.

6.4 Quorum. A majority of the directors then in office (but not less than two (2)) shall constitute a quorum for the transaction of business. Every act performed or decision made by a majority of the directors present at a duly held meeting at which a quorum is present shall be regarded as the act of the Board. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of directors, if any action taken is approved by a majority of the required quorum for that meeting.

6.5 Open Meetings. Except as provided in section 6.6 and 6.7, all meetings of the Board shall be open to all Members, but Members other than directors may not participate in any discussion or deliberation unless expressly so authorized by a majority of a quorum of the Board. However, the Board shall establish a reasonable time limit for all Members of the Association to speak to the Board of Directors at any meeting of the Board of Directors, and permit any Member of the Association to speak at any meeting of the Board of Directors within such time limit.

6.6 Executive Session. The Board may, with approval of a majority of its members present at a meeting in which a quorum for the transaction of business has been established, or, if all members of the governing body are present, by a majority vote of the members, adjourn a meeting and reconvene in executive session to discuss and vote upon litigation, matters relating to the formation of contracts with third parties, Member discipline, or personnel matters. The nature of any and all business to be considered in executive session shall first be announced in open session. Any matter discussed in executive session shall be generally noted in the minutes of the Board of Directors. The Board shall meet in executive session, if requested by a Member who may be subject to a fine, penalty, or other form of discipline, and the Member affected shall be entitled to attend the executive session. The Board may hold an executive session emergency meeting if circumstances require, as authorized by section 6.3.

6.7 Telephone/Electronic Meetings. Any meeting, regular or special, may be held by conference telephone, electronic video screen, or other communication equipment, so long as all of the following apply:

A. Each Director participating in the meeting can communicate with all of the other directors concurrently.

B. Each Director is provided the means of participating in all matters before the Board, including, without limitation, the capacity to propose, or to interpose an objection to a specific action to be taken by the corporation.

C. The Board adopts and implements some means of verifying both of the following:

(i) A person participating in the meeting is a director or other person entitled to participate in the Board meeting;

(ii) All actions of, or votes by, the Board are taken or cast only by the directors and not by persons who are not directors.

Arrangements shall be made to enable any Member who desires to listen to the telephone/electronic meeting of the Board, to be able to do so. The minutes of the meeting shall state that those participating in the meeting were recognized to be directors or other persons authorized to participate in the meeting. An explanation of the action taken shall be posted at a prominent place within the Common Area within three (3) days after the meeting. If the Common Area consists of an easement or is otherwise unsuitable for posting the explanation of the action taken, the Board shall communicate said explanation by any means it deems appropriate.

6.8 Waiver of Notice. The transactions of any meeting of the Board of Directors, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice, if (a) a quorum is present, and (b) either before or after the meeting, each of the directors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the meeting. Notice of a meeting shall also be deemed given to any director who attends the meeting without protesting before or at its commencement about the lack of adequate notice.

6.9 Notice of Adjourned Meeting. Notice of the time and place of holding an adjourned meeting need not be given, unless the meeting is adjourned for more than twenty-four (24) hours, in which case personal notice of the time and place shall be given before the time of the adjourned meeting to the directors who were not present at the time of the adjournment, and shall be posted at a prominent place within the Common Area. If the Common Area consists only of an easement or is otherwise unsuitable for posting of such notice, the Board shall communicate the notice of the time and place of such meeting by any means it deems appropriate.

6.10 Action Without Meeting. Any action required or permitted to be taken by the Board of Directors may be taken without a meeting (and without notice to Members provided for in section 6.2), if all members of the Board, individually or collectively, consent in writing to that action. Such action by written consent shall have the same force and effect as a unanimous vote of the Board of Directors. Such written consent or consents shall be filed with the minutes of the proceedings of the Board. An explanation of the action taken shall be posted at a prominent place or places within the Common Area within three (3) days after the written consents of all Board members have been obtained. If the Common Area consists only of an easement or is otherwise unsuitable for posting the explanation of the action taken, the Board shall communicate said explanation by any means it deems appropriate.

6.11 Definition of Meeting. "Meeting" includes any congregation of a majority of the members of the Board at the same time and place to hear, discuss, or deliberate upon any item of business scheduled to be heard by the Board, except those matters that may be discussed in executive session.

ARTICLE VII POWERS AND DUTIES OF THE BOARD OF DIRECTORS

7.1 Duties. The Board of Directors shall undertake and fulfill the following duties:

(i) The current estimated replacement cost, estimated remaining life, and estimated useful life of each major component;

(ii) As of the end of the fiscal year for which the study is prepared:

(A) The current estimate of the amount of cash reserves necessary to repair, replace, restore, or maintain the major components;

(d) A general statement setting forth the procedures used in the calculation and establishment of those reserves to defray the future repair, replacement or additions to those major components that the Association is obligated to maintain.

In lieu of the distribution of the pro forma operating budget, the Board may elect to distribute a summary of the items described hereinabove to all the Members, with written notice that the budget is available at the business office of the Association or at another suitable location within the boundaries of the development and that copies will be provided upon request and at the expense of the Association. Members shall be notified in writing at the time that the pro forma budget is distributed, or at the time of any general mailing to the entire membership, of their right to have copies of the minutes of meetings, and how and where those minutes may be obtained. If any Member requests a copy of the pro forma operating budget, including the items referred to above, to be mailed to the Member, the Association shall provide the copy to the Member by first-class United States mail at the expense of the Association and delivered within five (5) days. The written notice that is distributed to each of the Association Members shall be in at least 10-point bold type on the front page of the summary of the statement;

Association's fiscal year;

(6) The Board shall comply with the requirements of California Civil Code § 1354(i) by providing Members of the Association annually with a summary of the provisions of California Civil Code § 1354, including the following language: "Failure by any Member of the Association to comply with the pre-filing requirements of Section 1354 of the Civil Code may result in the loss of your rights to sue the Association or another Member of the Association regarding enforcement of the governing documents."

12.2 Reserve Studies. At least every three years the Board shall cause a study of the reserve account requirements of the Project to be conducted, including a reasonably competent and diligent visual inspection of the accessible areas of the major components which the Association is obligated to repair, replace, restore or maintain, if the current replacement value of said major components is equal to or greater than one-half of the gross budget of the Association, excluding the Association's reserve account for that period. The Board shall review this study annually and shall consider and implement necessary adjustments to the Board's analysis of the reserve account requirements as a result of that review.

The study required by this section shall at a minimum include:

(1) Identification of the major components which the Association is obligated to repair, replace or restore, or maintain which, as of the date of the study, have a remaining useful life of less than thirty (30) years;

(2) Identification of the probable remaining useful life of the components identified in paragraph (1) as of the date of the study;

(3) An estimate of the cost of repair, replacement, restoration, or maintenance of each major component identified in paragraph (1) during and at the end of its useful life; and

(4) An estimate of the total annual contribution necessary to defray the cost to repair, replace, restore, or maintain each major component during and at the end of its useful life, after subtracting total reserve funds as of the date of the study.

As used in this section, "reserve account requirements" means the estimated funds which the Board has determined are required to be available at a specified point in time to repair, replace, or restore those major components which the Association is obligated to maintain.

12.3 Reserve Account Fund Management. The Board shall not expend funds designated as reserve funds for any purpose other than the repair, restoration, replacement, or maintenance of major components which the Association is obligated to repair, restore, replace, or maintain ("Association Major Components") and for which the reserve fund was established, or litigation involving Association Major Components. However, the Board may authorize the temporary transfer of money from a reserve fund to the Association's general operating fund to meet short-term cash-flow requirements or other expenses, provided that the Board has made a written finding recorded in the minutes of the Board explaining the reason that the transfer is needed, and describing when and how the money will be repaid to the reserve fund. The transferred funds shall be restored to the reserve fund within one (1) year of the date of the initial transfer, except that the Board may, upon making a finding supported by documentation that a delay would

be in the best interests of the Project, delay the restoration until the time which the Board reasonably determines to be necessary. The Board shall exercise prudent fiscal management in maintaining the integrity of the reserve account, and shall, if necessary, levy a special Assessment to recover the full amount of the expended funds within the time limits required by this section. This special Assessment is subject to the limitation imposed by section 4.4 of the Declaration. The Board may, at its discretion, extend the date the payment on the Special Assessment is due. Any extension shall not prevent the Board from pursuing any legal remedy to enforce the collection of an unpaid Special Assessment. When the decision is made to use reserve funds or to temporarily transfer money from the reserve fund to pay for litigation, the Association shall notify the Members of the Association of that decision in the next available mailing to all Members pursuant to section 5016 of the Corporations Code, and of the availability of any accounting of those expenses. Unless the Project Documents impose more stringent standards, the Association shall make an accounting of expenses related to the litigation on at least a quarterly basis. The accounting shall be made available for inspection by Members of the Association at the Association's office.

12.4 Reserve Account Withdrawal Restrictions. At least two (2) signatures shall be required for the withdrawal of monies from the Association's reserve accounts; signatures shall be those of members of the Board or one (1) member of the Board and one (1) officer who is not a member of the Board.

12.5 Review of Financial Records. The Board shall review on at least a quarterly basis a current reconciliation of the Association's operating and reserve accounts, the current year's actual reserve revenues and expenses compared to the current year's budget, and an income and expense statement for the Association's operating and reserve accounts. In addition, the Board shall review the latest account statements prepared by the financial institutions where the Association has its operating and reserve accounts. For purposes herein, "reserve accounts" shall mean monies that the Association's Board has identified for use to defray the future repair or replacement of, or additions to, those major components which the Association is obligated to maintain.

12.6 Future Changes in Financial Records and Reserve Account Requirements. The provisions of subsections 12.1-12.5 incorporate the statutory requirements of California Civil Code § 1365.5. If said section 1365.5 is amended in any manner, said sections shall be amended in the same manner without the necessity of amending these Bylaws.

ARTICLE XIII MISCELLANEOUS

13.1 Amendments. These Bylaws may be amended only by the affirmative vote (in person or by proxy) or written consent of Members representing a majority of a quorum of the Association. However, the percentage of voting power necessary to amend a specific clause or provision shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause.

13.2 Conflicts. In the case of any conflict between the Articles and the Bylaws, the Articles shall control; and in the case of any conflict between the Declaration and these Bylaws, the Declaration shall control.

13.3 Fiscal Year. Unless directed otherwise by the Board, the fiscal year of the Association shall begin on the first day of January and end on the thirty-first (31st) day of December of every year, except that

the first fiscal year shall begin on the date of incorporation.
